

# HAMILTON CREDIT CARD PROCESSING PROGRAM

Enjoy preferred pricing with a program designed specifically for Hamilton Manufacturing customers

Through our partnership with TSYS Merchant Solutions, Hamilton Manufacturing Corp. is making a preferred processing program available to our customers at specially negotiated rates.

With a simple one-step process, TSYS Merchant Solutions can power up your Hamilton kiosk and take care of all the work associated with accepting consumer payments.

The partnership offers a fully integrated payments program tailored to your needs, giving you the ability to securely and reliably accept consumer payments.

## BENEFITS INCLUDE:
